

KENSINGTON DIVERSIFIED GROWTH (USD)

Strategy Summary

The sub-fund invests directly or indirectly in equities, fixed income securities, property and commodities, money market instruments and equity-related securities. Up to 80% of its assets may be directly invested in equities and equity-related securities and up to 80% may be indirectly invested via UCITS and/or open-ended AIFs for exposure to commodities such as oil, gas, gold and precious metals.

The sub-fund may also gain indirect exposure to property through investment in the securities of Real Estate Investment Trusts (REITs). The sub-fund may hold cash.

Investor Profile

The sub-fund is suitable for retail and institutional investors seeking a medium to long term investment with a medium to high tolerance for volatility.
